***“Summer School courses will give you an insight into leading edge thinking in each discipline, and invite you to reflect on the big issues of the day.”***

**Professor Christopher Pissarides**  
2010 Nobel Laureate in Economics

**32 Lincoln's Inn Field** opened in January 2013 as the new home of the LSE's flagship Department of Economics. This development is part of an ongoing commitment to investing in the LSE's unique central London campus.

# London's top University

As ranked by the Complete University Guide 2019

# Get ready for Summer School

The LSE's Summer School is the most well-established and the largest of its kind in the whole of Europe, with over 115 academically rigorous courses on offer.

The Programme's aim is to challenge and inspire you through engagement with its world-class LSE faculty, whilst introducing you to new life-long friends from all over the world.

We invite you to experience all that LSE has to offer, including; top flight teaching, modern academic facilities; London's most centrally located student accommodation; and the cultural highlights that are unique to this iconic capital city.

Enhance your education with the LSE this summer; a world-class institution for the social sciences.

# Professional skills programme

**Enhance your future prospects with our range of careers and professional skills workshops.**

Our professional skills programme will help you develop the knowledge, skills and confidence you need to enter the world of work. We have teamed up with LSE departments and external training providers to bring you workshops that provide a wealth of information, from practical confidence-building measures to help you succeed in interviews, to learning how to create a quality CV and knowing exactly what recruiters are looking for.

**“The app development workshop was a great introduction to the fundamentals of app design, giving different insights and lots of great (and free!) material for participants.”**

**Kai Zhang,**  
University of Copenhagen, Denmark

*FM202: Analysis and Management of Financial Risk*

**Well-being workshops**

**Interview tips**

**Coding and app development workshop**

**Entrepreneurship panel discussions**

**CV and cover letter sessions**

**Study skills drop-ins**

**Presentation skills**

**Mindfulness**

**“The Introduction to Coding workshop introduced me to the languages of HTML and CSS, but more importantly it sparked a newfound interest within me.”**

**Suramay Nagar,**  
University of New South Wales, Australia

*FM350: Advanced Corporate Finance*

# Academic Information

## Our summer schedule

Over 115 courses are available; all of which are taught and examined to LSE's rigorous academic standards.

The LSE has remodelled its academic year to improve students' teaching and learning experience. Summer School can now offer students a broader choice of dates and courses across three sessions. Some of our most popular courses now run more than once to give students more flexibility.

of our students attend 2 or more sessions

### Session One

22 June – 10 July 2020

### Session Two

13 July - 31 July 2020

### Session Three

3 August - 21 August 2020

Please note that these dates are provisional and subject to change. Visit [lse.ac.uk/summerschool](https://lse.ac.uk/summerschool) and join our mailing list for updates.

# Which course is right for you?

## 100 level courses

No specific prerequisites in their own subject, but may require some mathematics or other related subjects. The minimum requirement for taking these courses is to have an offer of a place at university, but additional evidence of academic ability may also be required.

## 200 level courses

Equivalent to intermediate level university courses. They have prerequisites in the form of university level introductory courses in the same, or a closely related subject.

## 300 level courses

Are advanced and equivalent to either final year undergraduate or first year graduate courses. They have prerequisites of university level intermediate courses.

**Is English your second language?**

## **Applicants are expected to be proficient in the use of English.**

Those who have had previous university level instruction in English, or live in a country where English is a main language, need not submit a proficiency certificate.

### **Alternatively you will need;**

- Minimum TOEFL score of 263 (computer-based test), or 107 (Internet test)
- IELTS 7.0 or their equivalent (e.g. the Cambridge Advanced or CPE Certificate)

# Course facts

## Entry requirements

**Grades:** Minimum GPA 3.3/ B+

**Prerequisites:** 200 and 300 level courses will have conditions of entry. Please check online for details.

**Fees:** Check online for latest fees at [lse.ac.uk/summerschool](http://lse.ac.uk/summerschool)

## Study hours

**Duration:** Three weeks (Students can study for up to nine weeks if they attend three sessions).

**Faculty contact time:** A minimum of 54 hours; Lectures: 36 hours; Classes: 18 hours. (Some course schedules vary)

**Recommended self-study:** 2-3 hours per day

## Credit and assessment

**Credit:** Generally our courses receive three or four credits in the US system, or 7.5 ECTS in the European system. Please check with your home institution.

**Assessment:** Two written exams, or a final exam and assessed work.\*

**Course equivalence:** Each course is broadly equivalent to one semester from an undergraduate degree.

\* Whilst examinations are not compulsory, they are encouraged and may be necessary for students requiring credit.

## Academic Director

**Professor Paul Kelly**  
Interim Summer School  
Academic Director,  
Department of Government

Professor Kelly is the Interim Academic Director of LSE Summer School. He has an MA from the University of York and a PhD from the University of London, and held positions at the University of Chicago Law School and University College London before joining LSE. His research interests are in British political theory, Liberal political philosophy, multiculturalism, group rights and national identity and theories of social justice. Professor Kelly teaches IR130: Athens to Al-Qaeda: Political Theory and International Politics.

*“LSE Summer School offers a broad set of courses across a variety of different disciplines, taught by leading scholars in their fields.”*

Professor Paul Kelly

## Accounting

### 100 LEVEL

- AC101:** Managerial Accounting and Financial Control
- AC110:** Principles of Accounting

### 200 LEVEL

- AC201:** Performance Measurement for Decision-Making
- AC210:** Corporate Financial Reporting and Communication
- AC215:** Business Analysis and Valuation

## Business and Management

### 100 LEVEL

- ME306:** Real Analysis
- ME314:** Introduction to Data Science and Big Data Analytics
- ME315:** Machine Learning in Practice
- ME317:** Statistical Methods in Risk Management

## Programme Director

### Professor Ken Benoit Department of Methodology

Professor Benoit holds a PhD in Government with a specialisation in statistical methodology from Harvard University. He is currently Professor of Quantitative Social Research Methods in the Department of Methodology, where he teaches data science and computational methods. He was also the founding Director of the Social and Economic Data Science (SEDS) Research Unit at LSE. Professor Benoit teaches ME314: Introduction to Data Science and Machine Learning.

## Application and fees

### **When and how should I apply?**

Applications typically open in late November. Popular courses and LSE residences do fill up quickly, so we urge you to apply as soon as you are able.

### **How do I support my application?**

You will be asked to provide a copy of your university transcript (if available). If English is not your first language you should include appropriate evidence of English proficiency (see page 24).

### **How much does it cost?**

Please see [www.lse.ac.uk/summerschool](http://www.lse.ac.uk/summerschool) for tuition fee details

### **More information online**

[www.lse.ac.uk/summerschool](http://www.lse.ac.uk/summerschool)

### **Or contact us at:**

Tel: +44 (0)20 7955 7227  
[summer.school@lse.ac.uk](mailto:summer.school@lse.ac.uk)  
[@LSESummerSchool](https://twitter.com/LSESummerSchool)

### **For course details and fees visit:**

[lse.ac.uk/summerschool](http://lse.ac.uk/summerschool) and join our mailing list for updates.

### **Cancellation of courses**

Occasionally it is necessary to cancel or postpone courses. Should a course be subject to a major change, applicants will be offered the option to either transfer to another course or receive a full refund. Any alterations to the programme will be made by the first week of June 2020. If you are coming from abroad, you are strongly advised to take out comprehensive travel insurance for the duration of your stay.

### **Equality and diversity**

To uphold the School's commitment to equality of respect and opportunity, as set out in the Ethics Code (search 'Ethics Code' on the LSE homepage), we will treat all people with dignity and respect, and ensure that no-one will be treated less favourably because of their role at the School, age, disability, gender (including gender identity), race, religion or belief sexual orientation, marriage and civil partnership, pregnancy and maternity and social and economic background. For details of the School's work on enhancing its equality practices to reflect the requirements of the Equality Act 2010, please see the EDI website (search 'EDI Policy Statement on the LSE homepage).

***“The LSE professors are focused on teaching knowledge and skills that will stay with you for life. You don’t find professors like that at every summer school.”***

**Bruno Monteiro Filho**  
Insper Institution, Sao Paulo, Brazil

*EC320: Applied Econometrics and Big Data*

***“The LSE experience  
provides a unique mix of  
rigorous academics and  
all the vim and vigour of  
central London.”***

**Professor Paul Kelly**
